You decide the terms of your donation

Y factor is a matchmaking app for peer-to-peer sperm donation, where you as a donor get full control over who, when and how you want to help.

We want donors that reflect the diversity of the world and welcome everyone.

Y factor makes it fast and easy and to start making a difference as a donor.

As a private sperm donor you can:

Avoid Intermediaries

Skip the complexities and procedures of sperm banks, and get started now.

Stay in Charge

Decide to who, how many families, and in what way you want to donate.

Get Better Compensation

Get the compensation you wish; karma, financial, or co-parenting.

Find Meaningful Connections

Get to know the new families and their stories, before choosing to donate.
